I understand Executive Director Karen Youngs Hartley is supposedly representing the Lakeshore Coordinating Council in opposition to this Legislation. She may be representing herself, Allegan Cnty. and Berrien Cnty. but she does not represent the Coordinating Council. Muskegon and Ottawa Counties will likely support this legislation as it appears to allow what we have been attempting to do for a couple of years. Thank You. Donald Disselkoen, Ottawa County Commissioner and Vice Chairman, Lakeshore Coordinating Council.
